COMPANY PROFILE

With its principled approach towards customer satisfaction and an experience of many years in the field, the company has gained international recognition in Builder Hardware industry.

Products

The company manufactures a wide range of builders hardware including Door Hardware , Window Hardware , Cabinet Hardware , Hooks , Copper Sinks And Tubs , etc. These products are available in a variety of metals like brass, aluminum, iron, copper.

Quality

Quality is the buzzword at Crown Hardware. The unbeaten quality of our products has given us the cutting edge over others in the industry. Each product is made to undergo stringent quality checks to assure their conformity with the international standards.

Infrastructure

We have a state-of-the-art manufacturing unit with modern facilities for Casting, Forging, Finishing, Plating, Powder Coating, Lacquering and Customized Modern Packing.

Goal

We look forward to offering any kind of model or design that meets your requirements. We aim at preserving the image of an internationally recognized brand in builders' hardware known for supplying quality goods, for years to come.
